Expression of Interest (EoI)

Riverine biodiversity monitoring - Impact of floods/ landslides on Biodiversity

Expression of interest is invited from organizations having experience in the field of biodiversity survey and bio-resource mapping in the following areas.

Impact of floods/ landslides on Biodiversity and evaluating the change in the following ecosystem / biodiversity of the State.

1. Riverine biodiversity monitoring including narrow endemics.
2. Fish Migration and breeding (Ootha)
3. Invasive species of fauna and flora
4. Riparian vegetation (Pamba, Periyar, Chalakudy, Bharathapuzha)
5. Mangroves
6. Butterflies/ Odonates / Birds/ Amphibians etc.
7. Survey of flowering and reproduction of agricultural crops as (Mango, Jack) and common trees like Anjil, Maruthu, Rose wood, Teak etc.
8. Soil Biota

The organization is expected to develop a standardized methodology and conduct the assessment within a stipulated time frame of 3 months. The team should visit the prioritized project location to collect necessary information and will be in constant coordination with appropriate research institutes for collecting and reviewing necessary data. The report should include the baseline condition and the impact of natural disasters such as floods/ landslide on the ecosystems/ species and also strategies and action plan for rejuvenation of ecosystem/ conservation of species. The interested organizations are requested to submit the EoI alongwith necessary documents related to profile of the agency, work experience and concept note and estimated budget within 22/09/2018. Applications must be addressed to The Member Secretary, Kerala State Biodiversity Board L-14, Jai Nagar, Medical College P.O. Thiruvananthapuram – 695011
